

# Who are we?! SAC!!

Article by Sarah C. and Sarah S.

Yesterday in Secret Agent Camp, campers were busy with a fun filled day at low ropes. We spoke to Sass to further understand what being a Secret Agent is really about. There are 46 kids in SAC this week, all participating in paintball, ropes, zipline, terminator, motor sports, martial arts and many more exciting activities. Sass tells us, that Secret Agent Camp is the absolute best!! "We're just so much better than Extreme, it's obvious - just look at the number of campers we got this week!" Kody from cabin 28 agrees: "In Extreme they might get to play paintball but in Secret Agent they actually get to practice it and they go on secret paintball missions!" Rocky from cabin 20 thinks Secret Agent camp is really fun, "paintball is the best and climbing the rock wall was awesome." "We get bandanas and stripes. And if you are the best you can bare the flag." There seems to be a lot of enthusiasm throughout the specialty - these kids are pumped! The campers

tell us how they all love paintball and the other cool activities they do throughout the week. We asked how they felt about the ropes course and they said how they were excited yet scared at the same time. There was so many obstacles to take on including rockwall, zipline, climbing up trees and much more. Watching all the cool things they do, make me want to join Secret Agent camp!!

## MIMIC MANIA

Article by Jenna and Paris

Who had fun at Mimic Mania last night?? We sure did!! Each cabin came up with creative dance ideas and songs that got the whole camp up on their feet. Our third place winner dressed up in full army gear for "I Want You (She's so Heavy) by the Beatles". The second place cabin shocked us all with an all boys dance to Beyonce's "Single Ladies". They even went all out with dresses and heavy makeup! The first place cabin was a group of girls who danced to "Fireflies" by Owl City, winning the crowd over with their flashlight show in the dark. All of the cabins did an amazing job with their dances - it was the best Mimic Mania yet!

## Love or Hate:

### Justin Bieber

Article by Paris

Justin Bieber is a 16 year old singer, popular throughout the world. I went around and asked Pali campers and staff about their opinions of the infamous Bieber. First, I talked to Irons. "He is my hero. His hair flip thing is the best thing ever. I want to grow out my hair so I can flip it like Justin. He is amazing. I have seen him walk into glass windows and has an amazingly deep singing voice. He has got a very similar voice to Presley who I admire." Yet, Adam in cabin 24 doesn't agree. He does not like Justin at all and thinks that he is a bad singer - he even compared Justin's voice to the sound of a dying cow!! Personally I don't like Justin. I do agree he does have a higher voice, which is rare among male singers. His songs are catchy, but Justin you are growing up too fast, I mean a tattoo? Seriously! Come on!

# COOLINARY - Cooking for Experts

Article by Jenna and Paris

As we stepped into the cooking yurts yesterday there was an aroma of yummy smells filling our nostrils. The campers in Culinary were busy making lots of Chinese based foods. Wantons and Chinese chicken salad were on the menu and it looked delicious! Every camper was hard at work, in their matching chef-wear, whether they were tossing salad or frying wantons. We spoke to many campers- all 30 of them- including Evan from cabin 24 while he was cooking some fresh chicken. He told us how he is hoping to make some sweet treats. He said it himself: "I have a sweet tooth." Sari from cabin 14 wanted to

do Culinary to improve her cooking skills. She is excited to learn how to make apple dumplings soon and she hopes they are as fun to eat as they are to make. Gian Luca in cabin 27 has enjoyed cooking everything that was on the menu and was excited for the end result of the chicken. Brittney, who bunks in cabin 16, is super excited for Iron Chef this Friday and she thinks she is more than prepared because she has been cooking nearly all her life. Do you know what Iron Chef is? It's a cooking competition, which truly tests the campers' cooking skills. The campers get a 'secret ingredient' that they have to use as part of their meal! An inside source tells us that the secret ingredient for Iron Chef might be something fruity...
